One reason you see so much advertising is this:

It helps people with something to sell to find customers.

It helps those folks called "consumers" to find out about things they want to buy.

All of which is another way of saying advertising saves a lot of time for everyone.

That's why advertising pays-on both sides of the counter.

White Cleaners & Laundry ELBA, ALABAMA

The Laundry Does It 'Better'

We have opened our Laundry now and are ready for business. Send your clothes to us for a week or two and let us show you the difference in your clothes after they have been to the laundry. They look cleaner, whiter, fresher and better all the way round.

Our rates are 7c lb. for flat work (sheets,

towels, table cloths, napkins, etc.) and for wear-

cial rates where we wash all your clothes-finish the flat work and send the wearing apparel back to you dried and not finished. This is 6c lb for the whole wash. Our price on shirts alone is 15c for one shirt or 2 for 25c. Call us. We will be glad to talk to you and give further information about our laundry work, whether we get your work or not. We want you

done. Everything finished by machinery. White Cleaners & Laundry JAMES WISE, Owner and Operator

Poor Grease Jobs Ruin Your Car

Be sure that you are getting the special lubricants that your car needs for its different parts. There are special lubricants vital to special parts of most cars. Failure to get all of them means trouble and expensive repair bills in the future. Have your car lubricated where you are sure of getting it done properly.
